

# Rutland Bell-Ringers Newsletter February 2020

**Save the Date!**

**Friday 27th March 2020**

**7.00 for 7.30pm**

**Annual Branch Dinner**

**at The Old White Hart Lyddington**

Join us for what is an important event in our social programme, an enjoyable evening in good company.

The branch dinner will, this year, be at The Old White Hart in Lyddington. We were there 5 years ago.

I had hoped to find a suitable venue to the east of the county, but without success! Some venues could not accommodate a large party, others were ruled out on cost. Some venues we have previously used are not now open for business.

As soon as I have the menu details from The White Hart they will be circulated to everyone via email.

There will be plenty time for members to make their choices (and pay) before the event.

## COMMITTEE MEMBERS RUTLAND BRANCH

At the AGM held on 11th January 2020, in Whissendine Church, the following people were elected to be Officers and Committee Members for 2020.

<b>Chairman:</b>	Alan Wordie
<b>Ringing Master:</b>	Alan Ellis
<b>Deputy Masters:</b>	Roger Scholes and Brian Newman
<b>Secretary:</b>	Helen Pollard,
<b>Treasurer:</b>	Simon Forster
<b>Membership Sec:</b>	Sue Baker
<b>Steward:</b>	Ted Phillips
<b>Press Correspondent &amp; Newsletter Editor:</b>	Sue Webster
<b>Guild Management:</b>	John Tomalin
<b>Committee Members:</b>	Tim Holt, David Rippin.

After three busy years Louis Totaro is stepping down as Ringing Master. Our grateful thanks go to him for the time and energy he has given leading the branch. We have been so fortunate to have his enthusiasm, interest and expertise guiding members through first quarters, ringing tours and social events built around the ringing to encourage wider participation. Louis continues as tower captain at Oakham.

We would like to hear from anyone who would like to work with the committee, contributing skills or representing members. Specifically, we do require someone to be our Social Secretary. New ringers are as equally welcome as the more experienced.

If interested, Contact Alan Wordie [alan.wordie@enduranceproperty.com](mailto:alan.wordie@enduranceproperty.com)

## HEALTH & SAFETY

### Recent incident

Recently, a practice night was interrupted by a number of unexpected visitors; this was shock enough when they entered the ringing chamber, but the truly worrying issue was that they had been up the bell tower to watch the bells during ringing!

As we all know, the bells are a hazardous area at the best of times, and no one should go near a bell, especially when it is up, without proper preparation and full awareness of the risks. Entering the bell chamber when they are moving has even more serious potential, and should never be attempted. These visitors were simply unaware of the dangers that they faced. Without a physical barrier to prevent access, they simply walked in, without anyone being aware.

I cannot discuss the precise details of this incident, but risk assessment is a primary tool in planning for safety; whilst every Tower is unique, and thus has different risk factors, an example is available from Ecclesiastical Insurance see:

<https://www.ecclesiastical.com/risk-management/church-risk-assessments/>

or [http://www.pdg.btck.co.uk/SocialRegulations health & safety](http://www.pdg.btck.co.uk/SocialRegulations_health%20&%20safety)

Read it and think how it applies to your ringing environment. There is much more information available from the Diocese and the Guild, or just ask.

The reason that I want to bring this up is that safety is everyone's concern - ringers and public alike. We all need to be aware of the risks involved in ringing, and use our knowledge to both reduce the likelihood of incidents, and mitigate the results. If you see something amiss, or believe that there is a gap in our prevention barriers or mitigation measures, please bring it to the attention of the Tower Captain, and thus to the PCC for inclusion in the specific risk management process for your Tower.

**A safe Tower is a happy Tower - enjoy your ringing!**

## ***News from around the Branch***

### **Ketton Hand Bell Ringers Christmas and New Year**

Whilst having our first rehearsal of 2019 we discussed purchasing some music stands. If we did this it would make it much easier when we have performances as, at the moment, we require tables to place our music on. Karen did a brilliant job in finding music stands on Amazon for just under £10 each, as we would require five a total they would cost just under £50. It was decided to approach the Whitebread Trust, a Ketton charity which grants money to voluntary organisations and individuals in the village. The trust granted our request and we now have five music stands which have proved to be very beneficial.

Our first performance of the season was on November 27<sup>th</sup> for the Methodist Fellowship carol service at Barn Hill Stamford.

We were next invited to perform before the start of the Ketton Parrish Council meeting on December 18<sup>th</sup>, we received this invitation so that the council members could see our music stands that had been purchased with the grant from the Whitebread Trust.

Sunday December 22<sup>nd</sup> was our busiest day we rang for the morning service at Ketton then got our hand bells loaded and proceeded to Tixover House Care Home to entertain the residents to a selection of carols played on the hand bells. We also had Paul and Debbie with us to play some music on their melodions. We should have been at Chater Lodge Ketton but they had to cancel owing to being closed by an infection so we managed to fit Tixover in instead. We all then proceeded to Rutland Water Golf Club where we all enjoyed an excellent lunch. After lunch we went to Oak House at Greetham where we again performed a selection of carols for the residents and Paul and Debbie played melodions. Some of us then proceeded to Wing to ring for the evening carol service whilst the others went home for a well earned rest.

Monday December 23<sup>rd</sup> we rang for the carol service at Ketton and also played a selection of carols on the hand bells.

On Sunday 5<sup>th</sup> January, with the infection at Chater Lodge cleared up, we went along and played a selection of carols on the hand bells and Paul and Debbie played some resounding music on their melodions.

The final appearance of the season was at the Wassail 'after party' which was held in the Northwick Hall on Saturday 25<sup>th</sup> January. First the Morris Dancers performed some dances with much banging of sticks this was followed by the hand bell ringers playing a selection of songs with the audience doing the actions to 'The Wheels on the Bus'. Then the Ketton Community Choir sang a selection of Scottish songs, this being Burns Night, before the haggis was brought in and addressed by Steve Allan after which the choir led us in singing Auld Lang Syne.

### **New Ringers - Teaching Sessions**

We are currently running training sessions at Uppingham on Saturday mornings. 10.30am - 12.30. led by Alan Ellis and Brian Newman, with Richard Beadman. We have 11 learners, 8 of whom are Preston villagers, plus 3 from Uppingham. Some have attended Braunston practices on Wednesday evenings but we will need 3 or 4 experienced ringers to attend each event and ring around the learners. If you can help please contact Alan Ellis alan.ellis.h11@gmail.com Brian Newman brianjasie@yahoo.co.uk

## Insurance for Bellringers

The Guild is currently reviewing the insurance cover applicable to bellringers, both in their home tower and when visiting other towers. They are comparing cover by the Guild to that provided by PCC's. One outcome from this work will be the need for official risk assessments to be in place. Interestingly, there will be a need for PCC's to officially appoint their Tower Captains as officers of the PCC's. *Rutland Branch Committee*

Examples of role descriptions can be found on the Peterborough Diocese website, to be adapted to suit specific requirements.

### FROM OUR BRANCH MEMBERSHIP SECRETARY

**Sue Baker**

**To everyone who has already paid their subscriptions for this year. Thank You, very much,**

**To those that haven't yet paid, it would be helpful to the Treasurer if subscriptions / donations could be paid promptly. The easiest is by bank transfer. Details of how to pay are below.**

Our subscriptions enable us to keep our branch flourishing by enabling us to purchase smaller items.

An example of this was the purchase of display boards which were used at open days to encourage new members. It is really important to recruit new members to swell our numbers to enable us all to progress in our ringing, maintain a high level of enthusiasm and ensure that we have enough ringers for special occasions.

A small number of people have not paid their subscriptions this year. I am aware that for retirees the subscription is entirely voluntary. This makes it difficult to know whether to ask someone to pay if they do not wish to contribute. PLEASE complete the form to include whether you INTEND to pay so that I know who to ask.

I would also ask the tower captains to remind ringers how important it is that we maintain a healthy balance for minor repairs and running costs. Please encourage your ringers to pay their 2020 subscriptions as soon as possible.

The subscription amount remains the same this year at £7.00 for active non retirees and £3.50 for those in full time education. 75% of this goes to the guild and we keep 25%.

WE also ask for a voluntary donation in addition to this of which the guild receives 50%. The total amount from people over state retirement age, who are actively ringing, is counted as a donation.

Many thanks and best wishes for another enjoyable years ringing in 2020.

## **THE PETERBOROUGH DIOCESAN GUILD OF CHURCH BELLRINGERS**

<http://www.pdg.btck.co.uk>

**Guild 100 Club** The 100 Club was started by Derek Jones in September 1986, at the Summer Festival meeting in Northampton with 37 founder members. Since then the numbers have grown to an average of over 100 paid up members. The larger the number of members, the greater the prizes!

**The 100 refers to the limit on the prizes and not the number of members.**

Over £15,000 has been raised for the Guild Bell Fund so far, and it provides a regular income with chances of winning a cash prize each month. Derek retired from the job in June 2019 and it has been taken over by Cathy Dixon.

**Monthly draws** There are monthly draws giving prizes of 40% and 10% of the monthly paid up subscriptions, with an anniversary draw in September of 50%, 25% and 10%. This keeps the return in prizes to over 50% as required by the gaming laws.

If you are not contributing already do consider joining. If you miss out on renewing then no back payment is necessary you just resume the following month. Each branch has a 100 Club Representative who passes monies and details on to the organiser, Cathy Dixon. See the Guild Report for details and accounts.

**Subscription** Subscriptions are £12 per year. This cannot be gift aided. Individuals (over 16 only), groups and towers can join. The winning numbers are published in the Newsletter and in the Latest Guild News of the website. <http://www.pdg.btck.co.uk/BellFund> Cheques for subscriptions to be made out to "PDGCBR" and sent to—Mrs Cathy Dixon, 1, Gretton Court Wellingborough NN8 5UD

(An application form will appear as a separate attachment to the email with this newsletter)

### **'100' CLUB RULES**

The Club will be administered by the Bell Fund Administrators who will appoint a General Administrator. Branches will have their own local Administrator elected at the Branch A.G.M.

Membership will be restricted to members of the above Guild and those who ring regularly in the area.

The subscription will be £1 per month, usually payable annually as a sum of £12

Application for membership is to be made on the form. the form which contains the rules and membership number.

The prizes will be drawn monthly at any scheduled ringing occasion in the presence of Guild Members.

The prizes will be as follows:

- a) For 11 months: - one prize of 40% of that month's subscriptions  
one prize of 10% of that month's subscriptions  
up to a total of 100 times the monthly subscription.

For one month (at the Summer Festival): one prize of 50% of that month's subscriptions  
one prize of 25% of that month's subscriptions  
one prize of 10% of that month's subscriptions  
up to a total of 170 times the monthly subscription.

The draw will be by drawing numbered discs from two bags and pairing them,  
e.g. 6 from bag 1 plus 4 from bag 2 = 64.

The prizes will be paid by cheque as soon as possible after the draw. Winning numbers will be recorded in the Guild Newsletter.

Any number drawn for a member who is in arrears will be void, and a redraw will be made.

Cheques for subscriptions will be made out to "P D G C B R". (Not "100 Club"!) )

An annual return will be made of sums received, prizes awarded and profit transferred to the Bell Fund, to be published in the Annual Report.
